

## APPENDIX A: ESSENTIAL WORKS IN SOCIOLOGY REVISION

What is an essential work? An essential work in sociology is a book, monograph, article, or group of articles by authors who have made significant contributions to sociology. These works created a “buzz;” they were read and discussed by sociologists, other social scientists, intellectuals, and policy makers. PhD students must read all of the selections. Graduate students should read only those in bold typeface.

	CLASSICAL	EARLY CONTEMPORARY	CONTEMPORARY (1970-present)
DEMOGRAPHY		<ol style="list-style-type: none"> <li><b>Kingsley Davis &amp; Judith Blake. 1956. “Social Structure and Fertility: An Analytic Framework,” <i>Economic Development and Cultural Change</i> 4 (40).</b></li> </ol>	<ol style="list-style-type: none"> <li>Caldwell, J. 1997. “The Global Fertility Transition: The Need for a Unifying Theory,” <i>Population and Development and Review</i> 23: 803-812.</li> <li>McDaniel, Susan. 1996. “Towards a Synthesis of Feminist and Demographic Perspectives on Fertility,” <i>Population and Development Review</i> 24: 773-796.</li> </ol>
